

**STUDENT EXCHANGE PROGRAMME (SEP)**

**IMPORTANT NOTES**

1. Use this document as a general reference. Any information provided by the partner university through their official channels (brochures, website, email, social media, etc.) overrides the content of this document.
2. Please visit the [GRO website](#) for important general information about SEP that complements this document:
  - a. General Eligibility Requirements and Application Process
  - b. Module Mapping and Financial Aid
  - c. Visa Application, Travel Advisories and Student Insurance

**DELFT UNIVERSITY OF TECHNOLOGY, THE NETHERLANDS**

Host University Website: <https://www.tudelft.nl/en/education/programmes/exchange/>  
 Exchange Duration: One Semester  
 Suitable for Students From: All faculties except Arts & Social Sciences and Law

**GENERAL INFORMATION ABOUT HOST UNIVERSITY**

1	<b>When does the semester begin/end?</b>	Semester 1 (Fall / Autumn) – August to February Semester 2 (Spring) – February to July  Take note that final examinations may not be within the periods listed above. <b>TU Delft’s Semester 1 overlaps with the start of NUS’ Semester 2.</b>
2	<b>Which faculties or schools accept exchange students?</b>	Exchange students are welcome to read courses from any faculty: <a href="https://www.tudelft.nl/en/about-tu-delft/faculties/">https://www.tudelft.nl/en/about-tu-delft/faculties/</a>
3	<b>What modules can I read?</b>	Online course catalogue available at: <a href="https://studiegids.tudelft.nl/">https://studiegids.tudelft.nl/</a>  Note that: <ul style="list-style-type: none"> <li>• Modules available in the past might not be offered by the host university and/or approved by NUS for module mapping during the time of your SEP.</li> <li>• At least 51% of your courses should be chosen from one faculty only, with the exception of the Faculty of Civil Engineering and Geosciences and the Faculty of Industrial Design Engineering which require a minimum of 70% of courses to be chosen within the faculty.</li> <li>• Bachelor-level courses are mostly taught in Dutch, with most English-taught courses offered at the Master-level. Exchange students are allowed to read Master-level courses provided that they meet the prerequisites. <b>It is recommended that NUS students complete five semesters of study (i.e. Year 3 Semester 1) before embarking on SEP to TU Delft, so that they can meet the requirements for reading most Master-level courses.</b></li> </ul>
4	<b>What are the academic prerequisites and restrictions?</b>	<b>Only students who are in Year 3 of their study when embarking for SEP, can apply to go to TU Delft.</b> It is important that you have the relevant academic background for the courses that you apply for. You must have taken modules at NUS within the specific subject field to be accepted to any of the faculties / departments at TU Delft.  More information is available at: <a href="https://www.tudelft.nl/en/education/admission-and-application/exchange-students/requirements/course-selection-restrictions/">https://www.tudelft.nl/en/education/admission-and-application/exchange-students/requirements/course-selection-restrictions/</a>

5	<b>What are the available options for student housing?</b>	Information about student housing is available at: <a href="https://www.tudelft.nl/en/education/practical-matters/housing/">https://www.tudelft.nl/en/education/practical-matters/housing/</a>
