## STUDENT EXCHANGE PROGRAMME (SEP)

	The permit process could take up to 3 months to process. Please refer <a href="here">here</a> for the estimated time required for processing.
Insurance	All full-time NUS students are covered under the university's Student Group Personal Accident & Medical Insurance and the Student Travel Insurance. For more information on the university medical insurance, please refer to <a href="https://myportal.nus.edu.sg/studentportal/student-insurance/all/">https://myportal.nus.edu.sg/studentportal/student-insurance/all/</a> .
	At UU, students are automatically covered by Student IN, the Swedish State's insurance for exchange students in Sweden, provided by "Kammarkollegiet". The insurance covers emergency medical care (for non-EU/EES citizens), liability coverage, legal coverage and accident insurance. The insurance applies during direct travel between the home country and Sweden, during the period of education in Sweden, as well as two weeks before the start of study and two weeks after the end of study. The insurance is valid 24 hours a day in Sweden during the agreed insurance period. The insurance does not cover pre-existing medical conditions. More information about the cover is available on <a href="Kammarkollegiet's insurance">Kammarkollegiet's insurance</a> website.
	It is recommended that you purchase a comprehensive travel insurance for the full duration of your stay abroad, including your personal travel within/outside Sweden. Please review your insurance coverages to ensure that they meet your needs.
	Students are strongly encouraged to assess the risk of their intended activities and purchase supplemental insurance plans to ensure they are adequately covered during their time abroad.
