D. Application

i) Procedures

NUS Registrar’s Office will consolidate the nominations from NUS Faculties and Schools before submitting to The University of Edinburgh.

Only students nominated by NUS will receive an invitation email from Edinburgh to apply via Edinburgh’s online application system with access to the latest application guide.

Edinburgh’s past year application procedures can be found at http://www.ed.ac.uk/study-abroad/how-to-apply

Students are encouraged to upload the following supporting documents:

- Scanned copy of their official academic transcript – please approach NUS Registrar’s Office for the latest transcripts. During the application stage, applicants to the College of Arts Humanities and Social Sciences will be required to provide a transcript, which demonstrates that they have completed at least 1 full year of study. Applicants to the College of Science and Engineering will be required to provide a transcript demonstrating that they have completed 1 semester of study.
- A personal statement of 500 words

Nominated international exchange students are not required to submit a reference at the time of application. However, both College Visiting Student Offices reserve the right to request a reference from an exchange applicant at any point during the application period.

Please look for the SEP coordinator at your Dean’s Office for the link to the SharePoint.

ii) Deadlines

All NUS students must abide by the internal application deadline set by their home faculty for exchange participation in the following academic year.
After clearing the internal application and selection process, students have to take note of the application deadline set by the host university.

Failure to submit a formal application to the host university will result in your exchange being forfeited even if you have been selected by NUS for the exchange.

## E. Accommodations

### i) University Accommodation

Students must have accepted an unconditional offer to study at The University of Edinburgh before they can apply for accommodation. Exchange students are guaranteed accommodation if their application is submitted on time. However, preferred room type cannot be guaranteed.

You should regularly check your University of Edinburgh email account after you have applied for Edinburgh’s accommodation.

For more information about the criteria, please visit: [https://www.ed.ac.uk/global/study-abroad/livingedinburgh/accommodation](https://www.ed.ac.uk/global/study-abroad/livingedinburgh/accommodation)

### ii) Private Accommodation

If you need to look for accommodation in the Private Sector, please take note that there are various scams operating in the Private Sector. Therefore please take note of the advice and guidance found here: [http://www.accom.ed.ac.uk/for-students/private-housing/](http://www.accom.ed.ac.uk/for-students/private-housing/)

## F. Visa

### Consular/Visa Regulation

UK Visa and Immigration updates their immigration policy regularly. It is the student’s responsibility to check on the requirements via their website before they leave for the exchange. [https://www.gov.uk/government/organisations/uk-visas-and-immigration](https://www.gov.uk/government/organisations/uk-visas-and-immigration)

Short-term Study Visa for Semester Exchange If you are a Singapore citizen or a citizen of another country on the UK non-visa nationals list, and if your course of studies is less than 6 months, you can apply for:

1. single-entry Short Term Study entry stamp at the port of entry to the UK (free) or;

2. multiple-entry Short Term Study visa prior to leaving your home country.

The Short Term Study single-entry stamp is free, but if you leave the UK during your home university registration period you will need to re-apply as
a short-term student when you re-enter; for this reason you should always travel with your unconditional offer letter and other supporting documents.

Alternatively if you think you are likely to leave and re-enter the UK during your course you could apply for a multiple entry short-term study visa in advance of travelling to the UK.

If you enter the UK as a Short-Term Student (either a visa or single entry stamp) you are required to leave the UK within 30 days of the course end date given on your unconditional offer letter, or before your Short Term Study permission expires (whichever is sooner). If you wish to travel within the UK after this time you will need to exit the UK and re-enter as a Standard Visitor which you can do at port of entry.

Citizens from a country that need a visa to enter the UK should apply for the multiple-entry Short Term Study Visa prior to leaving for your overseas exchange. You can contact the external visa office approved by UK Visa and Immigration to apply for multiple-entry Short Term Study Visa.

Applying for a single-entry Short-Term Study Visa is usually an easier and cheaper process than applying for a Tier 4 Student Visa, if you do not need a Tier 4 Student Visa, please do not apply for it.

Please refer to Edinburgh’s visa information page: https://www.ed.ac.uk/student-administration/immigration/applying-for-visa

All students are advised to apply for the necessary visa immediately after they receive the official offer letter/email from their host university.

Some visa application process can take up to 2 months to process. Your exchange at the host university depends on the clearance by the immigration of the host country.
