In particular, students from Hong Kong and Singapore will be required to provide a Secure English Language Test if an application for a Tier 4 visa is required. The SELT will need to be a UKVI IELTS test and within a 2-year expiry date at the start of the exchange. **No other English Language tests will be accepted.**

### viii) Modules Compatibility

Only UG modules are available to NUS exchange students.

As Exchange students do not finalise their module choices until after they arrive at Warwick, Warwick cannot guarantee any specific modules to you before then. However, Warwick’s Study Abroad team will give other guidance on module choices where possible.

In order to avoid clashing timetables, you should take same level modules offer by the same department while on exchange at Warwick.

**It is the student’s responsibility to choose relevant modules at Warwick for mapping back to NUS in the semester of exchange.**

### Short-term Study Visa for Semester Exchange

If you are a Singapore citizen or a citizen of another country on the UK non-visa nationals list, and if your course of studies is less than 6 months, you can apply for:

1. single-entry Short Term Study Visa to the UK at the port of entry (free) or;
2. multiple-entry Short Term Study Visa prior to leaving your home country.

The single-entry Short Term Study Visa is free but if you leave the UK during your home university registration period you will need to re-apply as a short-term student when you re-enter; for this reason you should always travel with your short-term study visa support letter.

Alternatively if you think you are likely to leave and re-enter the UK during your course you should apply for a multiple entry short-term study visa in advance of travelling to the UK.

Non-visa nationals who enter the UK on a short-term study visa are required to leave the UK after the course end date given on your Short-term Study visa support letter. If you wish to travel within the UK after your studies you will need to exit the UK and re-enter as a Standard Visitor which you can do at port of entry.

Citizens from a country that needs a visa to enter the UK should apply for the multiple-entry Short Term Study Visa prior to leaving for your overseas exchange. You can contact the external visa office approved by UK Visa and Immigration to apply for multiple-entry Short Term Study Visa.

### Applying for a single-entry Short-Term Study Visa is usually an easier and cheaper process than applying for a Tier 4 Student Visa, if you do not need a Tier 4 Student Visa, please do not apply for it.

### Tier 4 Student Visa for Full-Year exchange

For students who need Tier 4 Student Visa, Warwick will issue the necessary CAS statement for Tier 4 Student Visa application. Applicants should ensure that they are fully aware of what they will need to do in order to successfully apply for a Tier 4 Student Visa. The CAS statement will contain a number that allows student to apply for a Tier 4 Student Visa. The application for Tier 4

All registered NUS students are covered under the group personal accident and medical insurance as well as the student travel insurance. For more information on the insurance coverage, please refer to [https://myportal.nus.edu.sg/studentportal/student-insurance/all/](https://myportal.nus.edu.sg/studentportal/student-insurance/all/).
