The application procedures and list of supporting documents needed by the host university can be found in the SharePoint.  
Please look for the SEP coordinator at your Dean’s Office for the link to the SharePoint. |
| ii) Deadlines | All NUS students must abide by the internal application deadline set by their home Faculty for exchange participation in the following academic year. After clearing the internal application and selection process, students have to take note of the application deadline set by the host university.  
Failure to submit a formal application to the host university by the stipulated deadline, may result in your exchange being forfeited even if you have been selected by NUS for the exchange. |
