FINANCIAL AID

An NUS education is an investment that will prepare you for life – and we are here to help you make it possible. We offer different forms of financial aid that cover tuition fees and living expenses, as well as optional items such as on-campus accommodation and overseas programmes.

Financial aid should be tailored to your specific needs. For more advice, approach our Financial Aid officers.

Estimated Living Expenses

You will need about S\$6,000 for living expenses, and S\$5,400 for accommodation expenses (study period of 35 weeks) as a full-time undergraduate student. This is a conservative estimate, which may vary according to your lifestyle.

nus.edu/livingexpenses

NUS Tuition Fee and MOE Tuition Grant

NUS fees are kept competitive against leading global universities, and are highly subsidised by the government. The Singapore Ministry of Education (MOE) offers a tuition grant to all Singapore Citizens, Permanent Residents and most international students on a competitive basis. Depending on your nationality and degree programme, the remaining fee payable ranges from about S\$8,250 to S\$83,950 per annum after the grant.

The MOE Tuition Grant is bond-free for Singapore Citizens. Non-Singapore Citizens will need to serve a three-year bond with a Singapore entity upon completion of the undergraduate degree. All Medicine and Dentistry students must fulfil a four to six-year bond with the Singapore Ministry of Health, regardless of nationality.
