Business	Priority in allocating Business courses will be given firstly to our full-time NUS undergraduates who reading these Business course as their core courses as well as exchange students from the Business School's faculty-level exchange partners. Students must also be majoring in business at their home university in order to be considered eligible for Business courses. If you have not been offered Business courses at the point of initial acceptance (mid-June or mid-November), you will not be able to add the course during the Course Registration period.
