Preamble:
The purpose of this Registration Guide is to highlight the activities significant to the incoming Non-Graduating student for completing the various formalities towards being officially registered as a student of the National University of Singapore (NUS).

If you have any queries, you may write to NGHelp@nus.edu.sg.

1. Overseas Travel Declaration (OTD)

In view of the Coronavirus Disease 2019 (COVID-19) situation, all incoming students are required to declare their travel plans in the Overseas Travel Declaration (OTD) system before they can proceed with online Registration (Part One).

Do note that the completion of OTD is mandatory for all incoming students.

Access to the OTD system is only available four days after you have accepted offer and uploaded your photo in the NUS Online Application Portal (myapplications.nus.edu.sg). Please login to the OTD (Applicants) system (myaces.nus.edu.sg/OverseasTravelDecl/applicantLogin) with your NG Application Number (e.g. N000012345) and Password, selecting Student Category “Non-graduating”.

You are strongly encouraged to proceed with Registration Part One upon submitting your OTD.

If there are any changes to your travel plans, including travel plans cancellation, do remember to update them immediately via the OTD.

2. Registration (Part One)

In Registration (Part One), students are to update their personal particulars, agree to abide by policies which form their Acceptance Record; and complete the Authorisation Requirements (nus.edu.sg/registrar/administrative-policies-procedures/non-graduating/acceptance-record).

You are required to complete Registration (Part One) before you can participate in the Module Registration (ModReg) exercise.

To access the Registration System (myregistration.nus.edu.sg), log in with your NG Application Number (e.g. N000012345) and Password, selecting Student Category (Non-graduating). If you have forgotten any of these login credentials, please access the NUS Online Application Portal (myapplications.nus.edu.sg) and click on the appropriate link.

Access to Registration System is only available after you have submitted your travel plans in the Overseas Travel Declaration (OTD) system. The entire registration process consists of a few steps and will take about 15 minutes.
Upon completion of Registration (Part One), you will be issued the following:

**Information for International Students**

1. **Orientation Briefing for International Students by office of Student Affairs (OSA)**

   The 1–hour OSA Live Show 2021 for international freshmen on 04 August 2021 will bring you tips from seniors plus important administrative announcements. Details and registration at the OSA website ([nus.edu.sg/osa/student-life/international-students](nus.edu.sg/osa/student-life/international-students)).

2. **Immigration & Checkpoints Authority of Singapore (ICA) – Student’s Pass**

   All international students admitted as Non–Graduating students must hold a valid Student’s Pass during the period of study at NUS. Admission is contingent upon successful application of Student’s Pass.

   To apply for a Student’s Pass, NUS Registrar’s Office will initiate a registration with ICA on your behalf, following which you will receive an instructional email to submit the application via the Immigration & Checkpoints Authority (ICA) e–Service for Student’s Pass.

   **You must monitor the status of your Student’s Pass application regularly as you will be required to upload documents and make payments at different junctions of the application process (notably during submission of eForm16, and Completion of Formalities (COF)) on the portal within the stipulated deadlines by ICA. Failure to do so will result in your Student’s Pass application being withdrawn.**

   If the application is approved, ICA shall grant the student an IPA letter, which is available for printing via ICA SOLAR system ([eservices.ica.gov.sg/solar/index.xhtml](eservices.ica.gov.sg/solar/index.xhtml)) under navigation path: Student Main Menu > Print Outcome Letters. For students from a visa–required country ([ica.gov.sg/#/visitor/visitor_entryvisa](ica.gov.sg/#/visitor/visitor_entryvisa)), the IPA letter also serves as a single–entry visa to enter Singapore.

   If you are not issued with an IPA letter, you will not be able to complete the formalities for the issuance of Student’s Pass. Therefore, it is important for you to act promptly after receiving the email notification from NUS Registrar’s Office to access the e–Service.

   If you are eventually not successful in your Student’s Pass application, your admission offer will be withdrawn, and you will not be able to embark on or continue your studies in NUS.

   The IPA letter **cannot** be used in place of the Student’s Pass to study in NUS. Upon receipt of the IPA letter, you are advised to read it carefully and prepare the required documents/items for submission to ICA in person to convert your Social Visit Pass to a Student’s Pass ([visitor/studentpass/collect](visitor/studentpass/collect)). Please continue to the next section before referring to section 2.2 about completing formalities with ICA.

   **Note:** Non–Graduating international students are required to take up at least 12 MCs worth of modules (approximately three modules and includes modules set to ‘audit’) per semester or pursue full–time research in order to qualify as a full–time student and be issued with a Student’s Pass.

   **2.1 Entry Approval by SafeTravel Office (STO)**

   In addition to obtaining the Student’s Pass or Student’s Pass In–principle Approval from the ICA, international students will also need to obtain approval from the SafeTravel Office (STO) ([safetravel.ica.gov.sg/stpl/requirements–and–process](safetravel.ica.gov.sg/stpl/requirements–and–process)) before they commence their journey to Singapore. **You will need to ensure that your student’s pass application has been approved before applying for Entry Approval.** Before you submit an application at the STO website ([eservices.ica.gov.sg/STO](eservices.ica.gov.sg/STO)), please refer to this application guide ([safetravel.ica.gov.sg/files/stp–application–step–by–step–guide.pdf](safetravel.ica.gov.sg/files/stp–application–step–by–step–guide.pdf)).
Students should not proceed with their trip to Singapore until they have received the entry approval letter. The STO entry approval letter, which is valid for one week, will be sent to the email indicated in your STO application. Students must produce the entry approval letter to airline staff upon check-in at the departure airport, and to the immigration officer upon arrival in Singapore. Students who arrive without an entry approval letter from STO will not be allowed to enter Singapore and will be required to fly out of Singapore within 48 hours, at their own cost. The In–Principle Approval Letter for the Student’s Pass may also be rescinded by ICA.

Students who are granted entry into Singapore are required to comply with the prevailing public health regulations and requirements. **All costs will be borne by students and all payments are to be made prior entry to Singapore.**

**IMPORTANT!** Given the rapidly changing nature of such requirements, you are strongly recommended to refer to the following resources which will contain the most up to date regulations:

I. **Entry into Singapore via Student’s Pass Holder Lane** – https://safetravel.ica.gov.sg/stpl/requirements-and-process

II. **Border Control Measures summary table** – https://safetravel.ica.gov.sg/health

Prior to arrival, students are to submit their health status and recent travel history, as well as personal particulars and contact details via the SG Arrival Card (SGAC) e–Service (icaeservices.ica.gov.sg/sgarrivalcard).

As part of the Government’s contact tracing efforts, students are required to download the Trace Together App (www.tracetogether.gov.sg). The app will be required to access most public spaces in Singapore. Students are to keep the app on their phone for 14 days after their departure from Singapore and in the event they test positive for COVID–19, they are required to provide the Ministry of Health the data collected by their app.

You are also required to download the uNivUS app (uci.nus.edu.sg/suu/wp-content/uploads/sites/5/2020/08/Overview_Of_NUSafe.pdf) for the whole duration of your exchange, as you will need to show the green pass integrated in the app to board the shuttle buses, access to places, and to purchase food in the canteens.

If you are requested by a Singapore Government Agency to download the Homer app (homer.gov.sg/faq) during the SHN period, the case office who approached you will provide instructions on how you can download it. **Do note that you are required to have a local mobile number as you will be sent an OTP during the setup of the app.**

Refer to Annex 3 for other useful links related to the border control measures implemented in response to COVID–19.
2.2 In-person Enrolment session for Student’s Pass

ICA has arranged for offsite enrolment (OSE) in NUS for in-person enrolment session for Student’s Pass on the dates below.

Date: 26 to 30 July 2021

Venue: Multi-purpose Sports Hall 1 (MPSH1), Kent Ridge Campus

Note: Due to safe distancing measures and to prevent overcrowding of the venue, students attending the offsite enrolment session are required to make an appointment. Detailed instructions will be sent to you via email approximately around the end of June 2021. You will be informed about collection of your Student’s Pass during the OSE session.

For students who are unable to make it to the offsite enrolment session or hold a visa–required passport and have plans to travel out of Singapore before the Student’s Pass issuance date, please make an e–appointment (eservices.ica.gov.sg/ibook) before arrival to enroll in–person at the ICA Building to get your student’s pass issued. Specific instructions can be found on your IPA letter on how to make an e–appointment.

Students are required to prepare and bring the documents/items listed below to attend the enrollment session for student’s pass. It is your responsibility to go prepared with the necessary documents, pay all fees (processing, issuance and/or Multiple–Journey Visa fees) and complete all the required forms prior to attending the appointment.

2.3 Medical Examination (for those staying beyond 6 months)

All international students who applied for Student’s Pass beyond six months would have to undergo and pass a medical examination conducted by a qualified medical practitioner in your home country. You must have the completed test results of your medical check before you can continue with Completion Of Formalities (COF) on the STP application system. This step is after you submit your eForm16 and documents.

During COF, you are required to upload your medical report using ICA’s prescribed medical report form (Download from ICA SOLAR system eservices.ica.gov.sg/solar/index.xhtml under navigation path: Foreign Student Main Menu > View Application Status) for the medical examination. The endorsed form must be submitted with the relevant laboratory reports. An official translation of the laboratory reports is required if it is not in the English language. At the time of submission, the laboratory reports must not be more than three months from the date of issue.

If you are residing in Singapore on any other long-term immigration passes currently, you are required to undergo the medical examination in Singapore, if the medical examination was done more than two years ago.

The issuance of the Student’s Pass is subject to the outcome of a medical examination. Students who fail to fulfill the medical requirements will not be issued with a Student’s Pass and your admission of offer will be withdrawn.

2.4 Enquiries

If you have any queries regarding immigration issues and Student’s Pass matters, you may refer to ICA’s FAQs va.ecitizen.gov.sg/cfp/customerpages/ICA/explorefaq.aspx. Alternatively, you may write to ica_stp1@ica.gov.sg.

Financial Matters

Payment of NUS Miscellaneous Student Fees and Tuition/Research Fees

Fees can be paid online via the Education Records System (EduRec). For further instructions, refer to the guide (nus.edu.sg/registrar/docs/info/prospective-students----non-graduating/Instructions-for-epayment.pdf).

Both Exchange and Non-Exchange students are required to pay the Miscellaneous Student Fees (see table below for breakdown) which comprise the Student Services Fee and Health Service Fee.

Miscellaneous Student Fees help meet part of the costs incurred by the University in providing services to the student community. These services include healthcare for students; facilitating student cultural, social and recreational programmes; and maintaining the internal shuttle bus service, IT network and other campus-wide services.

Please note that rates shown here may be subject to changes from time to time.
