1. **Registration (Part One)**

   **Access to Registration Part One system is only available four days after you have accepted offer, uploaded your photo in the NUS Online Application Portal and received an email that your photo has been approved.**

   To access the Registration Part One System ([myregistration.nus.edu.sg](https://myregistration.nus.edu.sg)), log in with your NG Application Number (e.g. N000012345) and Password, selecting Student Category (Non-graduating). If you have forgotten any of these login credentials, please access the NUS Online Application Portal ([myapplications.nus.edu.sg](https://myapplications.nus.edu.sg)) and click on the appropriate link.

   In Registration (Part One), students are to update their personal particulars, agree to abide by policies which form their Acceptance Record; and complete the Authorisation Requirements ([nus.edu.sg/registrar/administrative-policies-procedures/non-graduating/acceptance-record](https://nus.edu.sg/registrar/administrative-policies-procedures/non-graduating/acceptance-record)).

   Completion of Registration (Part One) is necessary for participation in the Module Registration (ModReg) exercise. The entire registration process consists of a few steps and will take about 15 minutes.

   ![Figure 1: Screenshot of Registration (Part One)](image-url)
Upon completion of Registration (Part One), you will be issued the following:

**Figure 2: Screenshot of Confirmation Page for Completion of Registration (Part One)**

When you click on “View Student ID / PIN / NUSNET ID / NUSNET Password”, you will see the following screen (next page):

**Figure 3: Screenshot of Registration (Part One) for Student ID/PIN/NUSNET ID & Password Page**
These are personal and confidential information which should not be shared with anyone.

The NUSNET ID and password given here will only be activated one to two days after completion of Registration (Part One).

Upon activation, you need to change the default NUSNET password before you can access any NUS online services.

If you have forgotten your password but have not reset it yet, you can access the Registration System (myregistration.nus.edu.sg) before instructional week 3 to retrieve it (see Figure 2).

After instructional week 3, you can seek help by sending an email to ITCare@nus.edu.sg, stating your full name and Student ID (e.g. A1234567B), as well as attach a scanned image of your Student Card.

You can refer to this website for assistance on password issues.

*Note: All students are required to complete the e-module (SE1000), and for those staying at on-campus accommodations are required to complete RC1000A. Failure to do so will result in a Negative Service Indicator (NSI) tagged to your student account. You will then experience inconveniences like being unable to view exam results, not able to receive your transcript at the end of your exchange.

- **Education Records System (EduRec)** ([myedurec.nus.edu.sg](https://myedurec.nus.edu.sg)) This is a single-entry point for students to manage a wide range of student transactions relating to module registration (ModReg), academic, finance and personal information matters.

To help new students navigate EduRec, various guides and other useful resources are published at the NUS Student Portal ([myportal.nus.edu.sg/studentportal/exercises/all/myedurec.html](https://myportal.nus.edu.sg/studentportal/exercises/all/myedurec.html)).

- **LumiNUS** ([https://luminus.nus.edu.sg/](https://luminus.nus.edu.sg/)) is NUS’s learning management system. You will be able to view your registered modules, access the course materials and get an integrated view of your tasks and deadlines here. ([After January 2023, please refer to Canvas](https://www.nus.edu.sg/canvas/login/))

To access EduRec, you will need your NUSNET ID (e.g. E1234567) and changed NUSNET password. When prompt to sign in with your organisational account, use ‘nusstu’ which is the domain for NUS students, and enter your user ID as e.g. ‘nusstu\NUSNET ID’. For LumiNUS/Canvas, simply enter your NUSNET ID will do.

- **NUS Email** ([outlook.com/u.nus.edu](https://outlook.com/u.nus.edu)) All students will have an email account at NUS that will be their official point of contact. All communications from the University to students will be via the official email account. Students are expected to check this account regularly henceforth and to be aware of the latest notices/circulars that may be posted on myPortal@NUS ([myportal.nus.edu.sg](https://myportal.nus.edu.sg)). Your NUS email address will be your NUSNET ID, follow by the “u.nus.edu” domain. E.g. E0123456@u.nus.edu

Your NUSNET account and NUS email will expire a month from the date of cessation of studies. Please retrieve course syllabus from LumiNUS/Canvas (applicable for coursework students) and do a backup copy of the files which you have retained in your student email account, if applicable.

5. Academic Matters

5.1 Language Module Placement Test

If you wish to take language module(s) offered by the Centre for Language Studies (CLS), please register for the relevant placement test(s) and note the dates for the tests. For more details, please visit CLS website (fass.nus.edu.sg/cls/entry-requirements) or email clssec@nus.edu.sg to enquire.

5.2 Module Administration

During the regular semester, you are required to read a minimum workload of 12 MCs (approximately three modules) and should not read more than 20 MCs worth of modules (approximately five modules), regardless of whether modules are set to audit or examinable. Exception for minimum workload is given to students registered in Singapore institutions and students reading modules and doing non-credit bearing research.

You are strongly advised to check the class and examination schedules via NUSMods (nusmods.com) for all the modules you are reading or intend to read, and to ensure there are no clashes in your class/examination schedules.

You can view your registered modules and access the course materials through LumiNUS (https://luminus.nus.edu.sg/) from instructional week 1 of the semester onwards. Information for International Students

1. Orientation Briefing for International Students by Office of Student Affairs (OSA)

There will be no international students’ orientation briefing from OSA this semester. Instead, the resources will be sent by OSA via email to student’s personal and NUS email addresses before the semester starts.

2. Immigration & Checkpoints Authority of Singapore (ICA) – Student’s Pass

All international students admitted as Non-Graduating students must hold a valid Student’s Pass whilst studying at NUS. Admission is contingent upon successful application of Student’s Pass. Students who do not have a valid Student’s Pass by the stipulated deadline will be given a warning, and have their candidature at NUS terminated if they do not heed the warning within 7 days. Their Student’s Pass application will also be cancelled (see https://www.nus.edu.sg/registrar/academic-activities/registration/administrative-matters > Student’s Pass Matters). For Semester 2, AY2022/2023 Main Intake, the deadline is 3 February 2023.

To apply for a Student’s Pass, NUS Registrar’s Office will send you an instructional email to submit the application via the Immigration & Checkpoints Authority (ICA) e-Service for Student’s Pass.

It is important to monitor your Student’s Pass application regularly as you will be required to upload documents and make payment at several points in the application process (notably during the submission of eForm16, and Completion of Formalities (COF)). Do note that any payments for your Student’s Pass are made to ICA directly. Failure to make payment and non-submission of documents within the 2-weeks deadline will result in the automatic withdrawal of IPA application by ICA. If the IPA application is withdrawn, please write to nghelp@nus.edu.sg for re-application of new IPA.

If the application is approved, ICA will grant the student an In-Principle Approval (IPA) letter, which is available for printing via ICA STP Application system (eservices.ica.gov.sg/solar/index.xhtml) under navigation path: Student Main Menu > Print Outcome Letters. For students from a visa-required country (ica.gov.sg/enter-depart/entry_requirements/visa_requirements), the IPA letter also serves as a single-entry visa to enter Singapore.

If you are not issued with an IPA letter, you will not be able to complete the formalities for the issuance of your Student’s Pass. Therefore, it is important for you to act promptly after receiving the email notification from NUS Registrar’s Office to access the e-Service.

If you are eventually not successful in your Student’s Pass application, your admission offer will be withdrawn, and you will not be able to embark on or continue your studies at NUS.

The IPA letter cannot be used in place of the Student’s Pass to study at NUS. Upon receipt of the IPA letter, you are advised to read it carefully and prepare the required documents/items for submission to ICA in person to convert your Social Visit Pass to a Student’s Pass (visitor/studentpass/collect). Please continue to the next section before referring to section 2.3 about completing formalities with ICA.

Note: Non-Graduating international students are required to take up at least 12 MCs worth of modules (approximately three modules and includes modules set to 'audit') per semester or pursue full-time research in order to qualify as a full-time student and be issued with a Student’s Pass.

2.1 Entry Requirements to Singapore (ICA) – COVID-19 Requirements

Travellers seeking to enter Singapore should comply with the prevailing Public Health as well as Entry Requirements listed on the website (https://www.ica.gov.sg/enter-transit-depart/entering-singapore) to ensure a smooth journey. They may enter Singapore without testing or quarantine only if they have taken the minimum WHO-EUL vaccine dosage listed on the website (https://www.ica.gov.sg/enter-transit-depart/entering-singapore) at least 2 weeks before arrival in Singapore, and can show proof of vaccination.
If you fulfill the requirements listed in the website stated above, you may skip to the General Entry Requirements on the website (https://www.ica.gov.sg/enter-transit-depart/entering-singapore/general).

If you do not fulfill the requirements mentioned above, you are required to read through the information under "Requirements for Travellers Not Fully Vaccinated with COVID-19 WHO EUL Vaccines".

**IMPORTANT!** While the COVID-19 related measures have changed and led to testing, quarantine and entry approvals being done away for Fully Vaccinated Travellers, you are strongly recommended to always refer to ICA website (https://www.ica.gov.sg/enter-transit-depart/entering-singapore) for the most up-to-date regulations and border measures.

Prior to arrival, students are to submit their health status and recent travel history, as well as personal particulars and contact details via the SG Arrival Card (SGAC) e-Service (https://www.ica.gov.sg/enter-depart/entry_requirements/sg-arrival-card).

Students are required to download these apps after arriving in Singapore in order to reflect your vaccination status. They are: **Trace Together** App and, **uNivUS** App. Refer to Annex 2 for more information on downloading these apps, and other COVID-19 related information.

### 2.2 Updating of Vaccination Information

Students are required to update their vaccination status with the National Immunization Registry, and the University. You may refer to the image below on how you can do so.
If you need to reset your Singpass password, you may refer to the relevant instructional guides on the Singpass website (https://www.singpass.gov.sg/home/si/support) on how you can do so.

2.3 In-person Enrolment session for Student’s Pass

ICA has arranged for offsite enrolment (OSE) in NUS for in-person enrolment session for Student’s Pass on the dates below.

Date: 4 to 6 January 2023

Venue: University Town, Town Plaza SR 1-4

**Note:** To prevent overcrowding of the venue, and as ICA discourages walk-ins, students attending the offsite enrolment session are required to make an appointment. Detailed instructions will be sent to you via email in mid-Dec 2022. You will be informed about collection of your Student’s Pass during the OSE session.

For students who are unable to make it to the offsite enrolment session or hold a visa-required passport, and have plans to travel out of Singapore before the Student’s Pass issuance date, please make an e-appointment (eservices.ica.gov.sg/ibook) before your arrival to enroll in-person at the ICA Building to get your student’s pass issued. Specific instructions can be found in your IPA letter on how to make an e-appointment.

Students are required to prepare and bring the documents/items listed below to attend the enrollment session for student’s pass. It is your responsibility to prepare the necessary documents, pay all fees (processing, issuance and/or Multiple-Journey Visa fees) and complete all required forms prior to attending the appointment.

**ADVISORY:** As ICA will be enrolling applicants’ iris images, please do not wear coloured, patterned or cosmetic contact lenses. Students are required to remove their glasses/spectacles before capturing of iris images.

Reminder: To complete your formalities successfully at the OSE, it is important that you comply with the following requirements by ICA:

i. You must be fully vaccinated against COVID-19 before completing formalities for the pass issuance, unless you are medically exempted and certified by a Singapore doctor;

ii. Those vaccinated overseas are required to have their overseas vaccination records updated into the National Immunisation Registry (NIR) by a Singapore healthcare provider. Please refer to point 2.2 on how to do so.
2.4 Medical Examination (for those staying beyond 6 months)

All international students who applied for Student’s Pass beyond six months would have to undergo and pass a medical examination conducted by a qualified medical practitioner in their home country. You must have the completed test results of your medical check before you can continue with Completion Of Formalities (COF) in the STP application system. This step is after you submit your eForm16 and required documents.

During COF, you are required to upload your medical report using ICA’s prescribed medical report form (Download from ICA STP Application system (eservices.ica.gov.sg/solar/index.xhtml) under navigation path: Foreign Student Main Menu > View Application Status) for the medical examination. The endorsed form must be submitted with the relevant laboratory reports. An official translation of the laboratory reports is required if it is not in the English language. At the time of submission, the laboratory reports must not be more than three months from the date of issue.

If you are currently residing in Singapore on any other long-term immigration passes, you will be required to undergo the medical examination in Singapore if the medical examination was done more than two years ago.

The issuance of the Student’s Pass is subject to the outcome of a medical examination. Students who fail to fulfill the medical requirements will not be issued with a Student’s Pass and your admission of offer will be withdrawn.

2.5 Enquiries

If you have any queries regarding immigration issues and Student’s Pass matters, you may refer to ICA’s FAQs (va.ecitizen.gov.sg/cfp/customerpages/ICA/explorefaq.aspx). Alternatively, you may write to ica_stp1@ica.gov.sg.

If you have any queries regarding the entry requirements into Singapore, you may refer to ICA’s website (https://www.ica.gov.sg/enter-transit-depart/entering-singapore) on the latest updates for the entry requirements.

3. Housing

Fees can be paid online via the Education Records System (EduRec). For further instructions, refer to the guide (nus.edu.sg/registrar/docs/info/prospective-students---non-graduating/Instructions-for-epayment.pdf).

*All fees shown here are inclusive of prevailing GST of 7%. It will be increased to 8% from 1st January 2023. (The revised fees will be released at a later stage)
