SECTION 2: DECLARATION

I, the undersigned, being a duly authorised representative of the Supplier named above (the "**Supplier**"), do hereby declare, represent and warrant to the National University of Singapore ("**NUS**") as follows:

1. **Lawful Procurement and Use of Technology Components**

All software, platforms, tools, frameworks, libraries, data, documentation, and any other technology components used in the delivery of the Supplier's cloud services to NUS are lawfully obtained and used, with all necessary licences, permissions, consents, and other rights necessary for the use and provision of the cloud services to NUS duly acquired and maintained.

2. **Compliance with Licence Terms and Intellectual Property Laws**

The Supplier complies, and will continue to comply, with all applicable licence terms and conditions of the respective licensors or rights holders, including but not limited to open-source software licences and intellectual property laws, throughout the duration of the engagement with NUS.

3. **Export Control, Sanctions, and Trade Compliance**

The provision, access, use, export, or re-export of any goods, software, data, or technology in connection with the cloud services complies with all export control, sanctions, and trade control laws and regulations applicable to the Supplier, the cloud services, and their provision to NUS. All

required permits and authorisations have been obtained and will be maintained throughout the term of the engagement.

4. **Ongoing Obligations**

The Supplier undertakes to promptly notify NUS in writing of any change in circumstances that would render any part of this Declaration inaccurate, incomplete, or no longer true. The Supplier further acknowledges that NUS is relying on this Declaration in entering into or continuing the engagement for the provision of cloud services.

5. **Authority**

I confirm that I am duly authorised to make this Declaration on behalf of the Supplier and that this Declaration is made with full knowledge of the facts stated herein.
